

Where Reality is Respect, Appreciation, and Fulfillment

ANOTHER FISCAL YEAR HAS COME AND GONE .. WHERE ARE WE HEADED.. WHAT DO WE KNOW .. WHAT DO WE NOT KNOW ??

- ◆ We receive another 100% compliance rating during our annual Department of Human Services licensure survey.
- ◆ We receive our seventh consecutive three-year award during our CARF accreditation survey in January.
- ◆ Family and community partners donate over \$62,000 during FY'16. Fundraising efforts net over \$22,000.
- ◆ Attendance levels ended at an 85% average. Potential funding received was at 90%. Alas, not enough ...
- ◆ We were able to upgrade our administrative computer with increased cloud based storage capabilities, increased speed, and greater backup/disaster protocols now in place.
- ◆ Our phone service was upgraded to wireless capability.

- ◆ Our individuals served were able to maintain their skills or improve their abilities in 55% of the goal/objective areas targeted.
- ◆ Our facilities were found fully compliant for CMS site requirements that focus on services that are community integrated.
- ◆ Our census ended at 21 (of a possible 36 that we can serve across both of our buildings). Funding remains limited and regulatory changes, compounded with the budget impasse seen the entire fiscal year, continue to impact funding levels received and census potential.
- ◆ New changes on the horizon include service planning that will become the responsibility of independent service coordinators, changes to the role of the home based service facilitator, and an increased focus on managed care.

Now we look towards FY'17. One day. One step.

Have you heard of the Life Choices project?

This project seeks to transform the Illinois DD system to ensure that all individuals with DD in Illinois:

- ⇒ Are healthy and safe
- ⇒ Have relationships with family and friends
- ⇒ Have a paying job if they want to work
- ⇒ Make decisions about their lives
- ⇒ Have opportunities to contribute to their community
